### **3. Summary of Significant Accounting Policies**

#### **3.1 Basis of Accounting**

The financial statements are prepared on an accrual basis in accordance with the International Public Sector Accounting Standards (IPSAS).

- 3.2 Consolidated entities. The financial statements reflect the assets, liabilities, revenues, and expenses of the reporting entity and all controlled entities.
- 3.3 Inventories are valued using the moving-average method. Receipts of delivered inventories are recorded based on the Inspection and Acceptance Report (IAR) while issuances are booked up based on the Report of Supplies and Materials Issued (RSMI). Small tangible/ semi-expendable items with estimated useful life of more than one year are recorded as inventories upon acquisition and expensed upon issuance, as prescribed in COA Circular No. 2005-002 dated April 14, 2005. Supplies and materials purchased for inventory purpose are recorded using the Perpetual Inventory System.
- 3.4 Property, Plant and Equipment (PPE) are carried at cost less accumulated depreciation. Allocation of monthly depreciation is computed using the straight line method. Fully-depreciated but still serviceable PPE remained in the PPE account while those unserviceable, damaged, obsolete and awaiting disposal are reclassified to Other Assets.
- 3.5 Depreciation is computed using the straight line method based on useful life of assets as prescribed in COA Circular No. 2003-007 dated December 11, 2003. A residual value equivalent to ten percent (10%) of the purchase cost is set-up, and monthly allocation of depreciation of PPE commenced on the second month following the purchase.
- 3.6 Payable accounts are recognized and recorded in the books only upon acceptance of the goods/inventory/other assets and rendition of services to the Regional Office.
- 3.7 Cash Advances granted for travel are subject to liquidation within the period prescribed under COA Circular No. 97-002 dated February 10, 1997 and supporting documents to Liquidation Reports are as prescribed in COA Circular No. 2012-001 dated June 14, 2012. - 3.9 The management has deemed it proper and prudent to use the Electronic National Government Accounting System (ENGAS) in the recording of its transactions to facilitate the timely submission of financial reports.
